group's buying power to get the most from your Metropass purchase. The bigger your group, the more you save. Groups between five and 99 people can purchase the monthly Metropass and save \$7.50 per person every month. Groups of 100 or more save \$10 on each Metropass purchase. For more information on Metropass for groups, call 305-884-7567, or log on to www.miamidade.gov/transit/.

CORPORATE METROPASS

- Employers now are allowed to offer a tax-free, monthly transit benefit of up to \$105 to pay for employees' commuting expenses. To learn more, call 305-375-1639.

COLLEGE METROPASS

- College students can buy a Metropass at a reduced price at participating colleges and universities. Students must be enrolled full time at the institution where the pass is sold. The cost of the College Metropass is \$56.25. Contact the college for information on where to buy the pass.

Note: If the magnetic strip on the back of a Metropass is damaged or has come in close contact with a magnet (e.g., magnetically-closed handbags), the fare gate may not accept the pass. If this happens, a security officer at Okeechobee, Civic Center, Government Center, Dadeland North, or Dadeland South station will exchange the pass. Damaged passes also can be exchanged at the Transit Service Center at Government Center Station.

TRANSIT TOKENS

- Save every time you pay with a token, available from the change machines outside the fare gates at all Metrorail stations. Buy seven tokens for \$10, or 14 tokens for \$20. For your convenience, passes and tokens are also sold at transit service centers and at over 75 other locations throughout Miami-Dade County. For the one nearest you, call Customer Services. Tokens are good on Metrobus and Metrorail. Metromover is always free for everyone.

The Golden Passport and Patriot Passport

GOLDEN PASSPORT

- If you are a senior citizen 65 years and older or a Social Security beneficiary and are a permanent Miami-Dade resident, you are eligible to ride transit free with a Golden Passport.
- When applying for the Golden Passport, you must submit a current picture ID, a Florida driver's license, or a Florida ID as proof of age; a utility bill as proof of residency; and applicants under 65 must submit a current printout from the Social Security Administration verifying eligibility.
- Golden Passport users may purchase a \$6.25 monthly parking permit to park at Metrorail stations. Otherwise, station parking is \$4 per day.
- Now Golden Passport users can save even more with the Golden Passport Discount Booklet. This booklet offers discounts at over 40 local businesses. Just present a coupon with your Golden Passport at participating locations to start saving right away.
- For more details on the Golden Passport and the Golden Passport Discount Booklet, call 305-654-6545 (TTY Users, 305-654-6530).

PATRIOT PASSPORT

- All honorably discharged veterans of the United States Armed Forces who are permanent Miami-Dade residents and whose annual income is \$22,000 or less are eligible to ride free on transit with the Patriot Passport.
- When applying for the Patriot Passport, bring a check stub as proof of income or proof of veteran benefits; a utility bill or VA verification letter as proof of residency; your veteran's picture ID; and your DD214 or VA 1010 form as proof of an honorable discharge.
- Patriot Passport users may purchase a \$6.25 monthly parking permit to park at Metrorail stations. Otherwise, station parking is \$4 per day.
- For more details on the Patriot Passport, call 305-654-6545 (TTY

Users, 305-654-6530).

LOST OR STOLEN GOLDEN PASSPORT OR PATRIOT PASSPORT

- Although the Golden Passport and Patriot Passport are free for eligible Miami-Dade residents, to replace a lost or stolen card, you must pay \$5 for the first replacement, \$20 for the second, and \$50 for the third. Transit will set aside the fee when you submit, within 30 days of the incident, the original police report listing the Golden Passport or Patriot Passport as stolen.
- Golden Passport and Patriot Passport registration locations are listed in this publication. You also can register for a Golden Passport or Patriot Passport at any Team Metro office. For the nearest location, call 305-468-5900.
- For complete information on Golden Passport or Patriot Passport requirements, registration locations, and replacing a lost or stolen card, please call 305-654-6545, Monday through Friday, 8:30 a.m. to 4:30 p.m.

Note: If the strip on the back of your Golden Passport or Patriot Passport is damaged, there is no need to get a replacement. To ride Metrobus, simply show your Golden Passport or Patriot Passport to a bus operator. On Metrorail, show your Golden Passport or Patriot Passport to a Metrorail security officer.

Metrorail Reduced-Fare Permits

- Medicare recipients, most people with disabilities, and local students in grades 7-12 who do not use a monthly Discount Metropass can ride transit anytime at a reduced fare when using a valid Medicare card or reduced-fare permit. Students in grades 1-6 need a Metrorail reduced-fare permit to ride on Metrorail at the reduced fare. Metromover is free for everyone.
- Buy up to six monthly Metrorail reduced-fare permits for 65¢ each. Show a Medicare card or valid Metrobus reduced-fare permit to purchase the Metrorail reduced-fare permit. Local students in grades 1-12 can show their report card (or the student Metrobus reduced-fare permits issued to students in grades 7-12) to purchase a Metrorail reduced-fare permit at any transit service center. Students in grades 1-6 need to be accompanied by a parent or guardian.
- Preschoolers less than 42 inches tall can ride free on transit at all times with an accompanying paying adult. Preschoolers taller than 42 inches ride free on transit with an adult and a preschooler permit, issued at any transit service center. Bring your child with his or her birth certificate to apply for the picture identification.

RIDING METRORAIL AT THE REDUCED FARE

- Simply insert your rail reduced-fare permit, arrows forward, into the front slot of the fare turnstile, and then deposit the 75¢ reduced fare. Don't forget to retrieve your Metrorail reduced-fare permit after you pay.

Note: Passengers in wheelchairs do not need to display fare media or identification when boarding Metrobus and Metrorail.

Transfers

- To ride bus and rail (or more than one bus) to reach your destination, you must buy a transfer ticket. Metropass, Discount Metropass, Golden Passport, and Patriot Passport users do not need a transfer ticket.
- If you begin your trip on Metrobus, deposit your fare and the transfer fee upon boarding. Ask the bus operator for a transfer at that time. Don't wait until later.
- Insert the bus-to-rail transfer in the Metrorail fare gate to continue your trip. Use of this transfer is limited to locations where bus routes link with Metrorail. No transfers are needed to ride the free Metromover.
- Rail-to-bus transfers are available from transfer machines at rail stations. When you board the bus, give the transfer to the bus operator.
- Be sure to buy your transfer at the station where you board

Metrorail, which is stamped on the face of the transfer. **Bus operators will not accept transfers from stations where you exit the Metrorail system.**

Miami-Dade Transit is Wheelchair Accessible

Parking at Metrorail

- Parking at Metrorail stations costs \$4 daily, including weekends and holidays. The parking receipt machines, found inside rail stations next to the fare gates, only accept exact fare in coins and issue a parking receipt. Use any combination of tokens and coins adding up to the \$4 daily parking fee. Your trip fare and parking fee are paid separately before you board Metrorail.
- Remember your parking space number painted on the pavement in each space. Before entering the station, be sure to have \$4 in exact change for parking. Parking receipt machines don't accept dollar bills. Change machines are located at the entrance of Metrorail stations near the fare gates.
- After paying your fare, look for a parking receipt machine. Enter your space number. Then deposit \$4. Take your receipt and keep it until returning to your car. There's no need to place the receipt on your dashboard.
- Metropass, Discount Metropass, Golden Passport, and Patriot Passport users can purchase a \$6.25 monthly Metrorail parking permit. With this permit, there is no daily charge to park. Display your parking permit at all times on the rearview mirror so that it is visible to the parking enforcement officer. Avoid being ticketed. Everyone, including Golden Passport and Patriot Passport users, must pay to park at Metrorail stations. Metrorail stations with parking areas offer free parking for people with disabilities. However, the state-issued Americans with Disabilities Act (ADA) parking permit for people with disabilities must hang from the rearview mirror.
- Although Metrorail does not offer parking at the Government Center, Brickell, Culmer, Civic Center, and Overtown/Arena stations, there are many municipal and privately-run parking lots within walking distance of these stations.

Bike & Ride Program

- Ride with your bike on Metrobus, Metrorail, and Metromover. Cyclists who ride Metrobus and Metromover do not need a bicycle

permit. However, cyclists who use Metrorail must apply for a permit and must be at least 12 years of age. Be ready to show your permit anytime at the request of a transit official.

- Security personnel at all Metrorail stations can issue Bike & Ride permits during operating hours. However, a parent or guardian must accompany cyclists under 18 years of age who apply for a Bike & Ride permit. Stop at the security officer's booth and show a valid photo ID. Complete and sign an application, and give it to the officer. The bike permit is issued immediately. Cyclists must be familiar with bicycle safety rules.

REQUEST A BIKE & RIDE PERMIT BY:

- Visiting any transit service center or Team Metro office.
- Calling 305-884-7567, weekdays, 8 a.m. to 5 p.m. An application will be mailed to you. Sign and return the application with a copy of your valid photo ID attached. The bike permit will be mailed within 10 working days.
- Logging on to www.miamidade.gov/transit/. Click on the **Publications** link on Transit's home page. Scroll down and click on the **Bike & Ride** brochure link. The brochure is in PDF format, which can be printed out and includes an application. Fill out, sign, and mail the application with a copy of your valid photo ID attached.

BIKE & RIDE ON METROBUS

- Most Metrobus routes are served by buses equipped with bicycle racks. These racks are clearly visible at the front of the bus. For a list of bicycle-accessible routes, call Customer Services.
- A Bike & Ride permit is not needed to ride with your bicycle on Metrobus. Ride any rack-equipped bus on any route, as most buses are bike accessible. On occasion, a bus may arrive without a bicycle rack. Please wait for the next bus.
- Before boarding a Metrobus, mount your bicycle on the rack attached to the front of the bus. Once you have secured your bike, enter the bus and pay your fare. When you arrive at your destination, exit the bus through the front door and tell the bus operator you want to remove your bike from the rack.

BIKE & RIDE ON METRORAIL

- You need a permit to board Metrorail with your bike. Always be prepared to show your bike permit at the request of transit officials.
- Bicycles are permitted only in the rear section of the last car of each train.
- Up to four passengers with bicycles may ride in a train.
- Passengers with bicycles may not place or store their bikes in the spaces reserved for passengers in wheelchairs.

BIKE & RIDE ON METROMOVER

- You now can ride with your bicycle on Metromover. Passengers with bicycles who ride Metrobus or Metromover do not need a bicycle permit. However, cyclists must be familiar with bicycle safety rules.

Note: Most motorized scooters are allowed on transit vehicles but must be folded and held or placed under the seat out of the way of other passengers. For your safety, bikes are not allowed on station escalators.
